The challenges we face due to Covid-19

Recognizing your contributions and supporting you
in prayer.

As we wrap up the month of May/ as we begin the month of June 2021, we want to remind you that we appreciate you and your investment into our very much needed and important cause of raising boys to become good men.

One of the MENTors mentioned that TCC is using FAT(Faithful, Available and Teachable) to shape the lives of the boys we MENTor daily. And understand that, these men are not perfect but some of us are broken and dealing with our own challenges, but we ought to remember that God is sovereign as we discussed with the boys under Relationships with God in the May curriculum.

One of the things that came from the month of May was the fact that our mothers, MENTors and boys are going through a lot due to the impact of Covid-19. It is for this reason that we asked for your family pictures, and asked Pastors from several churches and their members to pray for our families.

Our Honest Feedback on What we Observe

Let us Continue with Courage

Though there are bad things happening such as MENTors and mothers losing their jobs, MENTors becoming busy and turning their backs on their boys, which means they are again being abandoned by another man. We have realized that the impact the MENTors have when they go AWOL on boys for 2 weeks or more, the devil creeps in, in that short period of time.

We do however also have good committed MENTors that are doing their sessions, M&E, training, attending Camps and sharing their frustrations and other issues and we appreciate that.

Deuteronomy 31:6

“Be strong and courageous. Do not be afraid or terrified because of them, for the Lord your God goes with you; he will never leave you nor forsake you.”

With all that said, we also have good things happening, MENTors doing their sessions, M&E, training, attending Camps and sharing their frustrations and other issues and we appreciate all that.

We would also like to encourage you to do the following:

1. Pray for other MENTors, boys and their moms.
2. Forward your family pictures to Uncle Thando on WhatsApp – 082 597 7667 if you haven't done so.
3. Please do check in with your boys via video call or phone call if you have or you will be missing a session for that week. It remains important to see your boys on a weekly basis.
4. Assist with boy's camps and attend MEN's camps.

We want to remind you that you were called to this space for a reason and we would like to thank you because we can't do this without you.
